### Name of Process: The Data Lab MSc Scholarship

Description of Process: The Data Lab MSc is a collaborative programme between The Data Lab and Edinburgh Napier University, funded by the Scottish Funding Council (SFC) and European Social Fund (ESF). It facilitates industry involvement and collaboration, and provides full funding and resources for students.

Edinburgh Napier University provides this information to explain how we use your personal data. Protecting your personal data is important to us and we only collect and process data which is necessary for us to provide the information, services and goods you require. This is in compliance with UK data protection legislation (“the legislation”), that is, the UK Data Protection Act 2018 (“DPA 2018”) and the General Data Protection Regulation: EU 2016-679 (“GDPR”) as amended by “EU Exit” Regulations 2019 and now known as the UK GDPR.

Data Controller	Edinburgh Napier University
Purposes for collection/processing	Edinburgh Napier University is required to process the personal data of students participating in the Data Lab MSc programme and share personal data as necessary to administer the recruitment, admission and ongoing administration of the course throughout the duration of study and six (6) months following completion of study for the purposes of a follow-up survey. As part of this the University will provide The Data Lab with a signed copy of the following documents for each student: Student Code of Conduct; Data Sharing Privacy Notices and other such information as it may reasonably require in order for it to comply with its statutory reporting requirements to SFC. Personal data will also be provided to the SFC and ESF to enable those bodies to carry out their duties with regards to funding administration.
Legal basis	Article 6(1)(e) – Processing is necessary for the performance of the University’s official authority as vested in the Data Controller by Scottish Statutory Instruments 1993 No.557 (S.76) as amended, that is, the provision of education, carrying out research, etc.
